# WELCOME TO *EAST Bayside* PORTLAND, MAINE

Breweries & bike shops  
in repurposed warehouses.  
Art galleries & coffeehouses  
in old industrial buildings.

That's the vibe in one  
of the fastest-changing  
neighborhoods of Portland.

Over a century ago, new  
Mainers from Ireland, Italy,  
and Scandinavia found their  
way to East Bayside. Since  
then, the area has become  
home to new residents from  
Cambodia, Vietnam, and, most  
recently, Sudan, Somalia, and  
Iraq, making for a vibrant  
mix of residential homes  
and commercial properties.  
Recreational fields, parks,  
and walking/biking trails  
crisscross the neighborhood.

Right now, the secret we can  
share is that there is plenty  
of free parking and room to  
move around in this gritty,  
fun neighborhood. We hope  
you'll enjoy exploring the  
many stores and art studios,  
furniture makers and food  
trucks, and enjoy the  
breweries, wineries, and  
spirit makers, all within a  
few blocks of each other.
